Notes:

- Each set notification preference will automatically apply to all of your courses. They cannot be set individually.
- Twitter and SMS notification preferences do not support daily summary or weekly summary options.
- Unregistered contact methods will appear in notification preferences but will not receive notifications until you confirm the registration.

Users who have an Observer role within a course currently only receive notifications for actions related to the following preferences:

- Due Date
- Grading Policies
- Conversation Message
- Conversation Created By Me

- Course Content
- Announcement
- Grading
- Invitation
- Submission Comment

- Calendar
- Appointment Signups
- Appointment Cancellations
- Student Appointment Signup
