

## What is the Canvas Parent App & How to Register

Canvas Parent enhances the potential for parents to engage in their children's education. Parents can review upcoming or past assignments, check on grades, and receive alerts for student activity.

Canvas Parent can be used by any Canvas user with an observer account. Parents must create an account in Canvas adding student's pair code.

Parents can use the Canvas Parent app on Android devices using Android 5.0 or later and iOS devices using iOS 10.0 or later.

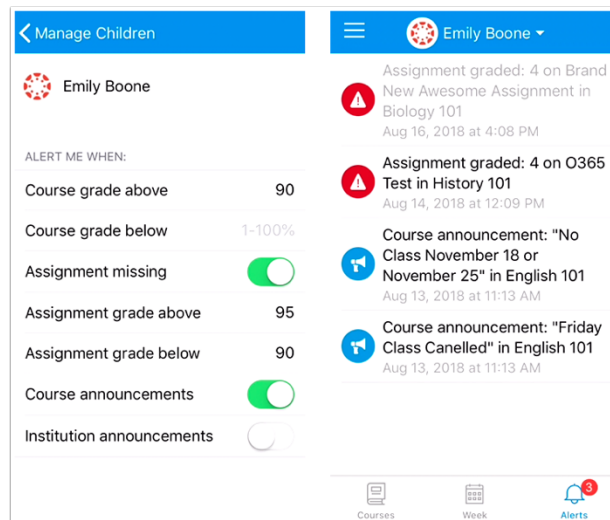

## What Can Parents See in Canvas?

View student courses

View student assignments and events

**Important Note:** Not all grades may be in Canvas if assignment wasn't created in Canvas, so Harmony where you will view official grades

Set alerts for student activity

Parents can set alerts for specific assignment and grade activity. Alerts are displayed in the Alerts page in the app.

Parents can also be notified by text or email of alerts.
