Principal: Mrs. Angela Harris
Asst. Principal/Athletic Director: Mr. Micah Williams

10/12/18

Dear SVMS Families,

As you know, our next e-Learning Day is fast approaching. October 24, 2018 will be our second e-Learning Day. The idea behind our three built-in e-Learning Days is to prepare/practice for any days we may be out of school this winter. Whether for inclement weather, or any other situations requiring the closing of school, e-learning days will be able to reduce the make-up days by allowing students to complete work from home. South Vermillion Community School Corporation wants to ensure your student(s) is ready for an e-Learning Day, by preparing you beforehand with as much information as possible.

The October e-Learning Day will look like this:

1. Your student will use the Canvas Learning Management System to access assignments on their iPad or home computer.
2. The attendance quiz must be completed between 8:20 a.m. and 3:20 p.m.
3. Teachers will be available from 8 – 10 a.m. (office hours) by phone or email to answer any questions you or your student may have regarding the assignment(s). Teachers will be in professional development meetings from 10 a.m. – 3:20 p.m.
4. Students can work at home at any point in the day, but will only be able to communicate with the teachers during the above mentioned office hours. Students will be assigned 20-30 minutes of work per subject.
5. If internet is unavailable to your student(s), your child will have until Friday of that week to complete the assignment and turn in for full credit.

If you should have questions on the e-Learning Day:

*Direct questions about the assignments will be made to the teacher.

*If you have technology issues, you may call Tech Support at 765-832-5300 or email at elearning@svcs.k12.in.us.

Thank you for your support,

Mrs. Harris, Principal
